

Embark on a dynamic journey where game development meets intelligent Systems, equipping you with the technical expertise and collaborative skills demanded by tomorrow's tech landscape.

Gain advanced skills in game development, virtual and augmented reality, mobile app design, and intelligent systems using industry tools. Work on real-world projects, collaborate with industry partners, and explore emerging technologies. This hands-on pathway opens doors to careers at intersection of games and emerging technology.

GAMES & INTELLIGENT SYSTEMS

PATHWAYS LEGEND

- Primary Pathway
- Optional Pathways
- ▶ Entry Points
No Pre-Requisite
- ▶ Entry with Recommendations
See Website
- ✱ Free or Low Fee
See Website

INTRO

6 mths
(full time)

- 22473VIC Certificate II in General Education for Adults BEH66
- Certificate II in Applied Digital Technologies ICT20120
- 11039NAT Certificate II in Career Preparation

PROGRESS to one of these CERTIFICATE III COURSES

SKILL BUILDER

6 mths
(full time)

- ✱ ○ ICT30120 Certificate III in Information Technology BFF7
- ✱ ○ ICT30120 Certificate III in Information Technology (Web Development) AC15
- ✱ ○ ICT30120 Certificate III in Information Technology (Cyber Security) AC12

PROGRESS to one of these CERTIFICATE IV COURSES

1 year
(full time)

- ▶ ✱ ● ICT40120 Certificate IV in Information Technology (Games and Intelligent Systems) AE09
- ▶ ✱ ○ ICT40120 Certificate IV in Information Technology (Programming) AC07

PROGRESS to one of these DIPLOMA COURSES

JOB OPTIONS

Help Desk Officer
IT Technician
Customer Service Representative (ICT)
User Support Specialist

JOB OPTIONS

Junior Game-Developer
IoT Technician
Database Assistant
QA Tester

HIGHER SKILLS

1 year
(full time)

ICT50220 Diploma of Information Technology (Games and Intelligent Systems) AD90

JOB OPTIONS

Digital Programmer
Software Developer
Applications Support
Mobile and Desktop Applications Developer
Games and VR developer
IoT/robotics specialist

NEXT STEP - PROGRESS

MICRO LEARNING

Bite size learning opportunities to support your career

- Introduction to Cyber Security
- Transition to Cyber Security
- Cloud Engineering for Intermediate Roles Skillset
- CAD and 3D Printing Skill Set

FURTHER STUDIES AT TAFE

- CUA51020 Diploma of Screen and Media (Animation & Game Art)
- CUA60620 Advanced Diploma of Screen and Media (Animation and Game Art)
- BSB40320 Certificate IV in Entrepreneurship and New Business

GO TO UNIVERSITY

A North Metropolitan TAFE Diploma may qualifies you for entry into undergraduate degrees at all WA universities. Explore degrees in Computer Science, Software Development, Information Technology, Software Systems Engineering, Computer Systems, Networking.

EXPLORE RELATED INDUSTRY AREAS

- Game Art Design
- Marketing and Advertising
- Data Analyst
- Entertainment & Media
- Software Development

TRANSFERABLE SKILLS TOWARDS YOUR DYNAMIC CAREER

- Problem-Solving and Attention to Detail
- Project Management
- Communication Creativity
- Technical Proficiency
- Adaptability

CAREER PROGRESSION

- Game Programmer / Software Engineer
- Robotics and IoT systems specialist
- Leadership & Expert Roles
